

A note from Carlsbad Chamber of Commerce CEO:

The State of California and the County of San Diego are still not allowing fairs/festivals to open. Due to the state's decision, the Carlsbad Chamber of Commerce has decided to **cancel** the Carlsbad Village Street Faire that originally was scheduled for **November 1st, 2020**. Like you, we are again extremely disappointed that street fairs are not categorized the same as Swap Meets and Farmers Markets that are currently allowed to be open.

GOOD NEWS: We remain optimistic for spring 2021 and encourage you to transfer your booth fee to the May 2nd, 2021 Carlsbad Street Faire. Additionally, we are exploring the idea of creating a new Holiday-themed event, at a new Carlsbad location, for December 12th or 13th 2020. Once we solidify the details, we will send out an announcement so you can apply. Our hope is it will give you an alternative to the Fall 2020 Carlsbad Street Faire.

We are offering ONLY two options. We will need ALL VENDORS to take action on one of the below options.

1) OPTION 1: Transfer your paid booth fee to the Spring Carlsbad Village Street Faire, May 2nd, 2021. No additional booth fees required. **Action Required:** Click on the following link:

2) OPTION 2: Refund - If you are unable to commit to Opt 1 above, upon request, your booth fee will be fully refunded by the Carlsbad Chamber of Commerce. **Note: This refund offer expires October 30th, 2020.**

Action Required: Email to bookkeeper@carlsbad.org for your refund request. *Please provide your company name, your first and last name and the address where you want the refund check mailed, in your email.*

We will require responses from ALL VENDORS – You must choose one of the two options above.
Please choose and activate your option by October 30th, 2020, to assist us as we move forward with planning for the spring 2021 faire. **We require a response, however, if we do not hear from you by October 30th, 2020 your booth fee will automatically transfer to May 2nd 2021 faire.**

We did not make this decision lightly. We expect future gathering mandates from the State and County to take place, we just can't definitely say when they will end. We will do whatever we can to avoid cancelling this event in the future. Thank you again for all your support and understanding. Together we will all weather through these tough times and see more promising days ahead.

Sincerely,

Bret J. Schanzenbach
