

A note from Carlsbad Chamber of Commerce CEO:

Due to recent updates regarding the Coronavirus from the State of California and the County of San Diego, by not allowing festivals to open, the Carlsbad Chamber of Commerce has decided to **cancel** the spring Carlsbad Village Street Faire that originally was postponed to August 9th. Like you, we are extremely disappointed, but stand by the decision to place the health and safety of our community members first during this time.

In summary, the spring Carlsbad Village Street Faire originally postponed to **August 9, 2020 is now CANCELLED**. Although we cannot guarantee the opening of the fall Carlsbad Village Faire in November 2020, we remain optimistic and encourage you to transfer your booth fee to the November 1st, 2020 event.

We are offering ONLY two options for those vendors who agreed to carryover their booth fee to the August 9th postponed date. We will need ALL VENDORS to take action on one of the below options.

1) **OPTION 1:** Transfer your paid booth fee to the Fall Carlsbad Village Street Faire, November 1st, 2020. No additional booth fees required. **Action Required:** [Click HERE to Log on to carry forward booth fee to Nov 1, 2020 Faire.](#)

2) **OPTION 2:** Refund - If you are unable to commit to Opt 1 above, your booth fee will be fully refunded by the Carlsbad Chamber of Commerce. **Note: This refund offer expires July 30th, 2020.** **Action Required:** Email to bookkeeper@carlsbad.org for your refund request.

We will require responses from ALL VENDORS – You must choose one of the two options above. Please choose and activate your option by July 30th, 2020, to assist us as we move forward with planning for the fall faire. We require a response, however, if we do not hear from you by July 30th, 2020 your booth fee will automatically transfer to November 1st.

We did not make this decision lightly. We expect future gathering mandates from the State and County to take place, we just can't definitely say when they will end. We will do whatever we can to avoid cancelling this event in the future. Thank you again for all your support and understanding. Together we will all weather through these tough times and see more promising days ahead.

Sincerely,

Bret J. Schanzenbach
