NOTICE: Information recommended for our Vendor's Responsibilities:

Be aware that there is no Vendor parking at the parking lot adjacent (North and South) to the Coaster train terminal. You will receive a parking ticket and possible tow if you park in NCTD's train parking lot

IMPORTANT NOTICE REGARDING POLICE TRAFFIC STEEL BARRIERS.
(Your booth space may have changed) Please read and comply

The Carlsbad Police Dept. has adopted a new way to secure participants and patrons within the Carlsbad Village Faire. One of those many ways that they are protecting the community is to use new specialized traffic barriers. The Carlsbad Police also requires an open space between the new steel barriers and the booth occupant. If you have received one of these notices, it means that your booth space may have changed from previous years so that we could allow the required space to be maintained between the steel barrier and the closest booth, per Police standards. We are sorry for any inconvenience this may have caused, however this is for public safety for all.

IMPORTANT NOTICE FOR FOOD VENDORS Please read and comply

It is your responsibility as a food vendor to insure your booth spaces is kept clean during the Carlsbad Village Faire. If you have products that will spill onto the pavement, curb, sidewalk, brick pavers or any other surface on site, you **MUST** insure that to cover (protect) those surfaces to prevent staining of the surface. If your booth is left unclean, you will be financially responsible for the cleanup and you may not be renewed as a vendor for future events.
